

EFG CHAT

EFG Chat is a wide family of pillar-stand tables for communication, small talk and informal meetings in common areas such as cafeterias, canteens, meeting rooms, the lobby or lounge. EFG Chat is flexible and easy to work with in many areas of the workspace and the tables are available in many different versions, low to high, and in choices of materials and colours.

- Table heights: 520, 600, 720, 910 and 1100 mm.
