## EFG Surround

- Room-in-room solutions for open office environments. A beautiful screen system that creates solutions for the open office with emphasis on design, acoustics and function. The system can be built with interminable combinations creating focused workstations "Surround Me", meeting rooms or environments for project work "Surround Us". The EFG Surround is flexible enough for individual and group work in any environment. As with all EFG products the design process follows strict standards set out by Svanen – the Nordic eco label.

## Product info
