

# HideAway

## PILLAR TABLE WITH TILTABLE TOP

HideAway with tiltable top is a genuine and sturdy table for fixed furniture, with the advantage that the top can be tilted to the side in case the table needs to be moved away or stored. When the top is folded, the table takes up minimal space. The table is available with round, square and asymmetrical tops in varying sizes.

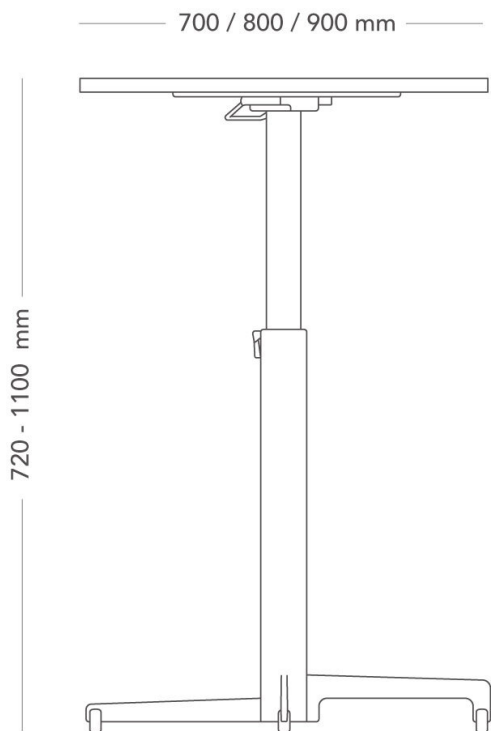

MODEL	Pillar table with tiltable top
DETAILS	<ul style="list-style-type: none"> <li>– * Tops in different shapes, width 600-900 mm, with straight edges</li> <li>– • Tiltable top</li> <li>• Adjustable foot</li> <li>• The disc is folded down with the control / carrying handle</li> </ul>
CONSTRUCTION	One round column leg, Ø60 mm, in steel with control and carrying handle in zinc. Asymmetrical cross foot with adjustable feet. 22 mm table top with core of chipboard and straight edge, coated with veneer, laminate, HPL or linoleum. The thickness of the surface coating varies.
