

Savo Maxikon

OFFICE CHAIR WITH HEADREST AND ARMRESTS

Maxikon is not only an unusually stylish ergonomic office chair, it is also a chair where all settings are logically placed and can be easily adjusted while sitting. In Maxikon, you can work a full working day and be sure that you always sit correctly and that the body receives the support needed in all sitting positions. Like our other office chairs, Maxikon is a chair that is excellent for both individual seating and activity-based offices.
