Tab S Floor - feet

Assemble the feet with the M6 screws and washers. Use the oval holes to adjust the leveling to the floor. Each screen has four feet.

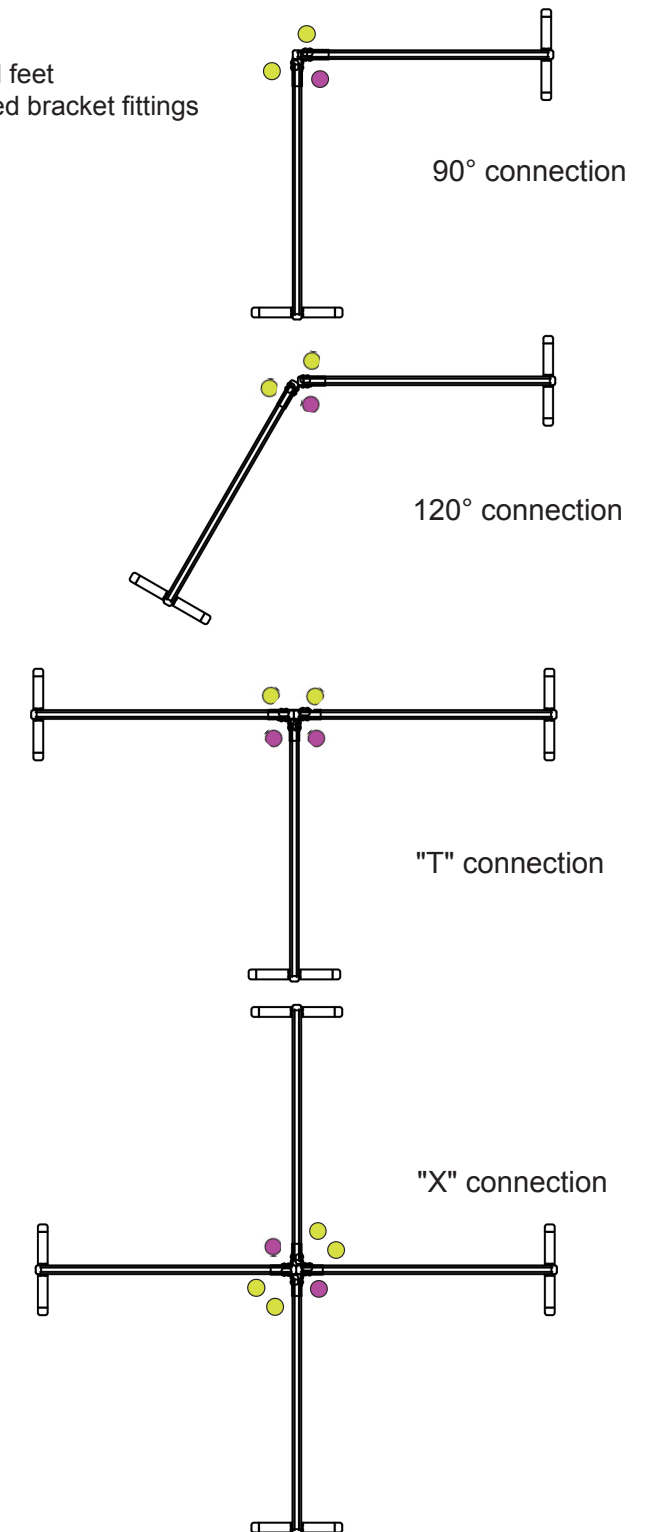

Foot connections

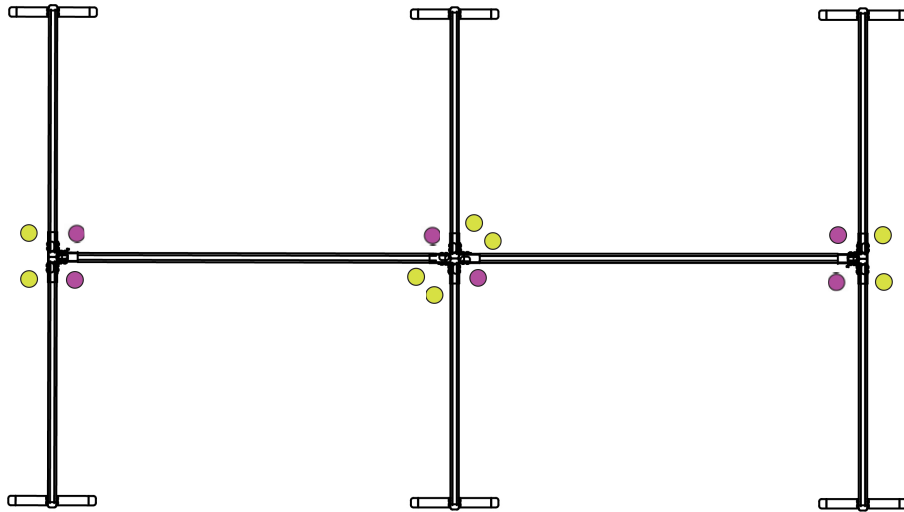

For connecting screens at different angles, replace the large feet in the corners with either smaller feet or an angled fittings. There are 90°, 120°, T-, X- and straight connections.

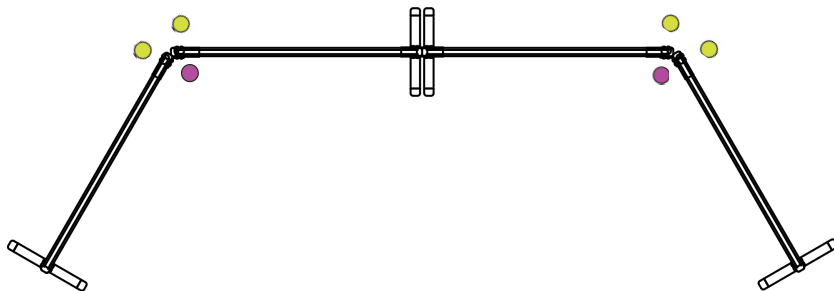

● = small feet
● = angled bracket fittings

Examples, connections

- = small feet
- = angled bracket fittings
