

Savo Soul Air

SAVO SOUL AIR WORKCHAIR

Ideal for shared and flexible office spaces, Savo Soul Air is constructed with a hygienic mesh back and seat to promote airflow, reduce heat buildup, and ensure effortless cleaning. Instantly intuitive, the chair features Flexi Back- technology that automatically adapts to the user’s weight and movements, offering exceptional comfort and spinal support with minimal adjustments.

Lightweight yet durable, Soul Air combines Scandinavian-inspired design with innovation and functionality to deliver a chair that enhances the seating experience while reducing environmental impact. Crafted with 79% recycled mesh material and a foam-free air-based structure, Soul Air is 97% recyclable, reflecting Savo’s unwavering commitment to sustainability and ingenuitive approach to product design.
