

U-Tray

CABLE TRAY

Cable management is a practical challenge that deserves an elegant solution. U-tray is designed with this in mind — combining form and function in a smart and seamless way.

U-tray has a semi-circular shape with a spacious base that accommodates power strips and cables with ease. The tray can be tilted from either side for easy access. Strategically placed mounting holes prevent interference with brackets and fittings. The product is available in four lengths and three colours.
